

## About Jazz Mattu ...

Jazz Mattu is a certified, experienced and practicing Medical Herbal Practitioner, Live Blood Cell Analyst and Bodywork Therapist. He is the co-founder of Elixir Herbal Healthcare and the White Rock Wellness Store Inc.

He is amongst the leaders in natural medicine education and has lectured in Botanical Medicine at the Boucher Institute of Naturopathic Medicine, Wild Rose College of Natural Healing, West Coast College of Massage Therapy and Coastal Mountain College of Natural Healing Arts. He currently lectures at Dominion Herbal College in Clinical Pathology, Differential Diagnosis, Clinical Diagnosis and Phyto-Pharmacology where he also supervises the student training clinic.

Jazz is the President of the Canadian Herbalist's Association of BC, a Registered Clinical Herbal Practitioner of B.C., Past President of the B.C. Holistic Healing Association and a member of the Dominion Herbal College Advisory Board. He is also a professional member of the National Institute of Medical Herbalists (UK).

Jazz is one of the few medically trained herbalists in North America and is a leader in his field. He has over twenty years of extensive experience in botanical medicine and lectures in the health and wellness industry internationally. He currently has a practice that is located in White Rock, British Columbia in Canada.
